

Sri Lanka Association in Sweden: Sub Committee: Assist Sri Lanka 2022.

Activity 1: Raise funds and Donate Medical Supplies.

1. Raise funds to purchase and donate medical supplies and devices to Sri Lanka.
2. Buy medicine recommended by
 - a. “State Ministry of Production, Supply and Regulation of Pharmaceuticals”. See document “SM/PSRP/01/FM/2022” or similar information available in the future.
 - b. Individual Hospitals.
3. When substantial amount of money is raised, based on the need in Sri Lanka, we will decide which alternative to choose and which medicine/devices to buy.
4. All money raised under this activity will be used for donating medical supplies.

2022-04-15 : Version Submitted to executive committee for approval.

2022-04-17 : Version A : Approved by executive committee.
